To all Elexbo users

**Dear user of Elexbo**

Thank you once again for purchasing an Elexbo experimentation box.

In order that you can at any time extract documents from the homepage (via download), please follow the following instructions:

1. Open the homepage [www.a-car.ch](http://www.a-car.ch)
2. Click on **Login** at the top right
3. Now, click on the middle of the picture on **Register** and you access to a form.
4. Fill out this form as completely as possible (user name and login included) and click on **Transmit** at the bottom-left.
5. When the green confirmation appears in the middle, you have done everything correctly and you will soon be activated.
6. Click one working day later on **Login** and log in.
7. Now click on the left-hand button **Downloads** and you will have access to the documents.

If you have any special requests, please do not hesitate to contact us directly via email ([ccalcagni@bluewin.ch](mailto:ccalcagni@bluewin.ch))

We wish you much success and fun with Elexbo.

Kind regards

Calcagni Carlo  
Project manager
